Purple Cane Road James Lee Burke 2011-09-21 Dave Robicheaux has spent his life confronting the age-old adage that the sins of the father pass onto the son. But what has his mother's legacy left him? Dead to him since youth, Mae Guillory has been shuttered away in the deep recesses of Dave's mind. He's lived with the fact that he would never really know what happened to the woman who left him to the devices of his whiskey-driven father. But deep down, he still feels the loss of his mother and knows the infinite series of disappointments in her life could not have come to a good end. While helping out an old friend, Dave is stunned when a pimp looks at him sideways and asks him if he is Mae Guillory's boy, the whore a bunch of cops murdered 30 years ago. The pimp goes on to insinuate that the cops who dumped her body in the bayou were on the take and continue to thrive in the New Orleans area. Dave's search for his mother's killers leads him to the darker places in his past and solving this case teaches him what it means to be his mother's son. Purple Cane Road has the dimensions of a classic-passion, murder, and nearly heartbreaking poignancy-wrapped in a wonderfully executed plot that surprises from start to finish.

The Neon Rain James Lee Burke 2010-07-13 From New York Times bestselling author James Lee Burke comes his definitive, must-read first title in his famous Detective David Robicheaux series. New Orleans Detective Dave Robicheaux has fought too many battles: in Vietnam, with police brass, with killers and hustlers, and the bottle. Lost without his wife's love, Robicheaux haunts the intense and heady French Quarter—the place he calls home, and the place that nearly destroys him when he becomes involved in the case of a young prostitute whose body is found in a bayou. Thrust into the seedy world of drug lords and arms smugglers, Robicheaux must face down the criminal underworld and come to terms with his own bruised heart and demons to survive.

Jolie Blon's Bounce James Lee Burke 2002-06-04 Dave Robicheaux is back in this powerful New York Times bestseller that takes him into the underbelly of New Iberia's mafia to solve the brutal murder of two teenage girls. When a beautiful teenage girl is killed, New Iberia police detective Dave Robicheaux senses that the most likely suspect, Tee Bobby Hulin, is not the actual killer. Though a drug addict and general neer-do-well, Hulin just doesn't fit the profile for this kind of crime. He's a Cajun blues singer (one of his songs is titled "Jolie Blon's Bounce"), and he's been raised by his grandmother Ladice Hulin, a proud and strong-willed black woman. But when there's another, similar murder—this victim a drugged-out prostitute who happens to be the daughter of one of the local mafia bigwigs—the cries for an arrest become too loud to ignore. The mafia figure, however, prefers to take matters in his own hand and sets out to find—and punish—the killer himself. Once again, Tee Bobby Hulin seems the most likely suspect. Added to the mix of characters on the good guy side of the balance sheet is Clete Purcel, a long-time buddy of Robicheaux's and a confirmed boozier and womanizer. Coming to New Iberia for a visit, Clete is quickly drawn into the struggle between the various forces of evil in the town: Jimmy Dean Styles, a black man intent on maintaining his empire of corruption; Joe Zeroski, a trailer-park mafioso with palatial aspirations—and of course Legion Guidrey, the devil incarnate.

Sunset Limited James Lee Burke 2011-09-21 "One of the best novels of the year from

Decades later, Megan, now a world-famous photojournalist, has come back to the bayou, looking for cop Dave Robicheaux. It was Dave who found the body of labor leader Jack Flynn. The sight changed the boy, shaped him as a man. And after forty years, Robicheaux is still haunted by the bizarre unsolved slaying. Now Megan's return has stirred up the ghosts of the long-buried past, igniting a storm of violence that will rip apart lives of blacks and whites in this bayou country. And for a good cop with bad memories, hard desire, and chilling nightmares, the time has come to uncover the truth.

Robicheaux James Lee Burke 2018-01-02 James Lee Burke's most beloved character, Dave Robicheaux, returns in this New York Times bestselling mystery set in the towns and backwoods of Louisiana: an "enthraling yet grim novel that...will captivate, start to finish" (Publishers Weekly). Dave Robicheaux is a haunted man. From the acts he committed in Vietnam, to his battles with alcoholism, to the sudden loss of his beloved wife, Molly, his thoughts drift from one irreconcilable memory to the next. Images of ghosts pepper his reality. Robicheaux's only beacon remains serving as a detective in New Iberia, Louisiana. It's in that capacity that Robicheaux crosses paths with powerful mob boss, Tony Nemo. Tony has a Civil War sword he'd like to give to Levon Broussard, a popular local author whose books have been adapted into major Hollywood films. Then there's Jimmy Nightengale, the young poster boy of New Orleans wealth and glamour. Jimmy's fond of Levon's work, and even fonder of his beautiful, enigmatic wife, Rowena. Tony thinks Jimmy can be a US Senator someday, and has the resources and clout to make it happen. There's something off about the relationship among these three men, and after a vicious assault, it's up to Robicheaux to uncover the truth "in the barn-burner of a climax" (Booklist, starred review). Complicating matters is the sudden death of the New Iberian local responsible for Molly's death; namely that Robicheaux's colleague thinks Robicheaux had something to do with it. As Robicheaux works to clear his name and make sense of the murder, a harrowing study of America emerges: this nation's abiding conflict between a sense of past grandeur and a legacy of shame, its easy seduction by demagogues and wealth, and its predilection for violence and revenge. "It has been almost five years since James Lee Burke's last Dave Robicheaux novel, and it was absolutely worth the wait" (Associated Press).

The New Iberia Blues James Lee Burke 2019-01-08 NEW YORK TIMES BESTSELLER Named one of the best crime novels of 2019 by The New York Times Book Review. The shocking death of a young woman leads Detective Dave Robicheaux into the dark corners of Hollywood, the mafia, and the backwoods of Louisiana in this gripping mystery from "modern master" (Publishers Weekly) James Lee Burke. Detective Dave Robicheaux's world isn't filled with too many happy stories, but Desmond Cormier's rags-to-riches tale is certainly one of them. Robicheaux first met Cormier on the streets of New Orleans, when the young, undersized boy had foolish dreams of becoming a Hollywood director. Twenty-five years later, when Robicheaux knocks on Cormier's door, it isn't to congratulate him on his Golden Globe and Academy Award nominations. Robicheaux has discovered the body of a young woman who's been crucified, wearing only a small chain on her ankle. She disappeared near Cormier's Cypemort Point estate, and Robicheaux, along with young deputy, Sean McClain, are looking for answers. Neither Cormier nor his enigmatic actor friend Antoine Butterworth are saying much, but Robicheaux knows better. As always, Clete Purcel and Dave's daughter, Alafair, have Robicheaux's back. Clete witnesses the escape of Texas inmate, Hugo Tillinger, who may hold the key to Robicheaux's case. As they wade further into the investigation, they end up in the crosshairs of the mob,

the deranged Chester Wimple, and the dark ghosts Robicheaux has been running from for years. Ultimately, it's up to Robicheaux to stop them all, but he'll have to summon a light he's never seen or felt to save himself, and those he loves. Stephen King hailed New York Times bestselling author James Lee Burke "as good as he ever was." Now, with *The New Iberia Blues*, Burke proves that he "remains the heavyweight champ, a great American novelist whose work, taken individually or as a whole, is unsurpassed" (Michael Connelly).

Swan Peak James Lee Burke 2009-05-26 The latest tale featuring the popular and flawed detective Dave Robicheaux takes him from the bayous of Louisiana's New Iberia Parish to the wild mountains of Montana. Includes excerpt from the forthcoming *In the Valley of Ancient Rain Gods*. Reprint.

James Lee Burke and the Soul of Dave Robicheaux Barbara Bogue 2015-01-27 When he created the character Dave Robicheaux, author James Lee Burke lent the New Orleans homicide detective a few of his own characteristics: a daughter named Alafair, a lifetime struggle with alcohol, his Roman Catholic faith, and his love for fishing and the outdoors. On the other hand, Robicheaux is portrayed as a veteran of the Vietnam war, something Burke never experienced firsthand. Yet the demons Burke has known allow him to write convincingly about demons he never knew. Thus Burke has created a realistic, complex and compelling protagonist for his crime fiction series. That depth is one element that elevates Burke's writing above the status of genre fiction. This book explores how James Lee Burke, through the first person narrative of detective Dave Robicheaux, probes the world of law and order, crime and disorder, and one man's internal conflicts with modern moral issues. The first chapter reveals the similarities and differences between real life creator and fictional protagonist. Next, chapters arranged by theme explore the roles of women, Robicheaux's paternal side as revealed through his adopted daughter, the paternal influences in the detective's own life, and the contrasting personality of his half-brother, Jimmie. The next chapters probe the roots of the detective's moral dilemmas: his battle with alcohol, the Vietnam war's lingering trauma, and religion. Next the author explores Burke's use of the supernatural, sense of place, and music to deepen his stories. Final chapters delve into Robicheaux's moral quandaries as a law enforcement officer, the character's contrast to his reckless and funny partner, Clete, and how Burke reveals truths about life through Robicheaux. An interview with Burke is included.

Last Car to Elysian Fields James Lee Burke 2003-09-23 For Dave Robicheaux, there is no easy passage home. New Orleans, and the memories of his life in the Big Easy, will always haunt him. So to return there -- as he does in *Last Car to Elysian Fields* -- means visiting old ghosts, exposing old wounds, opening himself up to new, yet familiar, dangers. When Robicheaux, now a police officer based in the somewhat quieter Louisiana town of New Iberia, learns that an old friend, Father Jimmie Dolan, a Catholic priest always at the center of controversy, has been the victim of a particularly brutal assault, he knows he has to return to New Orleans to investigate, if only unofficially. What he doesn't realize is that in doing so he is inviting into his life -- and into the lives of those around him -- an ancestral evil that could destroy them all. The investigation begins innocently enough. Assisted by good friend and P.I. Clete Purcel, Robicheaux confronts the man they believe to be responsible for Dolan's beating, a drug dealer and porno star named Gunner Ardoin. The confrontation, however, turns into a standoff as Clete ends up in jail and Robicheaux receives an ominous warning to

keep out of New Orleans' affairs. Meanwhile, back in New Iberia, more trouble is brewing: Three local teenage girls are killed in a drunk-driving accident, the driver being the seventeen-year-old daughter of a prominent physician. Robicheaux traces the source of the liquor to one of New Iberia's "daiquiri windows," places that sell mixed drinks from drive-by windows. When the owner of the drive-through operation is brutally murdered, Robicheaux immediately suspects the grief-crazed father of the dead teen driver. But his assumption is challenged when the murder weapon turns up belonging to someone else. The trouble continues when Father Jimmie asks Robicheaux to help investigate the presence of a toxic landfill near St. James Parish in New Orleans, which in turn leads to a search for the truth behind the disappearance many years before of a legendary blues musician and composer. Tying together all these seemingly disparate threads of crime is a maniacal killer named Max Coll, a brutal, brilliant, and deeply haunted hit man sent to New Orleans to finish the job on Father Dolan. Once Coll shows up, it becomes clear that Dave Robicheaux will be forced to ignore the warning to stay out of New Orleans, and he soon finds himself drawn deeper into a viper's nest of sordid secrets and escalating violence that sets him up for a confrontation that echoes down the lonely corridors of his own unresolved past. A masterful exploration of the troubled side of human nature and the darkest corners of the heart, and filled with the kinds of unforgettable characters that are the hallmarks of his novels, *Last Car to Elysian Fields* is James Lee Burke in top form in the kind of lush, atmospheric thriller that his fans have come to expect from the master of crime fiction.

Creole Belle James Lee Burke 2013-08-27 While in a New Orleans recovery unit, detective Dave Robicheaux meets a Creole girl whose subsequent disappearance prompts his search for the girl's sister against a backdrop of a bayou-threatening oil well rupture in the Gulf of Mexico. Reprint. 350,000 first printing.

White Doves at Morning James Lee Burke 2002-11-01 For years, critics have acclaimed the power of James Lee Burke's writing, the luminosity of his prose, the psychological complexity of his characters, the richness of his landscapes. Over the course of twenty novels and one collection of short stories, he has developed a loyal and dedicated following among both critics and general readers. His thrillers, featuring either Louisiana cop Dave Robicheaux or Billy Bob Holland, a hardened Texas-based lawyer, have consistently appeared on national bestseller lists, making Burke one of America's most celebrated authors of crime fiction. Now, in a startling and brilliantly successful departure, Burke has written a historical novel -- an epic story of love, hate, and survival set against the tumultuous background of the Civil War and Reconstruction. At the center of the novel are James Lee Burke's own ancestors, Robert Perry, who comes from a slave-owning family of wealth and privilege, and Willie Burke, born of Irish immigrants, a poor boy who is as irreverent as he is brave and decent. Despite their personal and political conflicts with the issues of the time, both men join the Confederate Army, choosing to face ordeal by fire, yet determined not to back down in their commitment to their moral beliefs, to their friends, and to the abolitionist woman with whom both have become infatuated. One of the most compelling characters in the story, and the catalyst for much of its drama, is Flower Jamison, a beautiful young black slave befriended, at great risk to himself, by Willie and owned by -- and fathered by, although he will not admit it -- Ira Jamison. Owner of Angola Plantation, Ira Jamison is a true son of the Old South and also a ruthless businessman, who, after the war, returns to the plantation and re-energizes it by

transforming it into a penal colony, which houses prisoners he rents out as laborers to replace the slaves who have been emancipated. Against all local law and customs, Flower learns from Willie to read and write, and receives the help and protection of Abigail Dowling, a Massachusetts abolitionist who had come south several years prior to help fight yellow fever and never left, and who has attracted the eye of both Willie and Robert Perry. These love affairs are not only fraught with danger, but compromised by the great and grim events of the Civil War and its aftermath. As in all of Burke's writings, *White Doves at Morning* is full of wonderful, colorful, unforgettable villains. Some, like Clay Hatcher, are pure "white trash" (considered the lowest of the low, they were despised by the white ruling class and feared by former slaves). From their ranks came the most notorious of the vigilante groups, such as the Ku Klux Klan, the White League and the Knights of the White Camellia. Most villainous of all, though, are the petty and mean-minded Todd McCain, owner of New Iberia's hardware store, and the diabolically evil Rufus Atkins, former overseer of Angola Plantation and the man Jamison has placed in charge of his convict labor crews. Rounding out this unforgettable cast of characters are Carrie LaRose, madam of New Iberia's house of ill repute, and her ship's-captain brother Jean-Jacques LaRose, Cajuns who assist Flower and Abigail in their struggle to help the blacks of the town. With battle scenes at Shiloh and in the Shenandoah Valley of Virginia that no reader will ever forget, and set in a time of upheaval that affected all men and all women at all levels of society, *White Doves at Morning* is an epic worthy of America's most tragic conflict, as well as a book of substance, importance, and genuine originality, one that will undoubtedly come to be regarded as a masterpiece of historical fiction.

Robicheaux's Roots Patricia M. Gately 2016-08-22 James Lee Burke developed the character of Cajun detective Dave Robicheaux through twenty mystery novels published over three decades. Despite readers' increasing interest in Detective Robicheaux, his habits and preferences originate from a culture still unfamiliar to many of the books' fans. In *Robicheaux's Roots*, Patricia M. Gately explores the music, food,

language, and folklore of southwest Louisiana and illuminates the cultural sources that Burke incorporated into this gripping series. Part of Robicheaux's appeal, Gaitely shows, rests in his connection to his hometown of New Iberia, with its faults, charm, and reliance on the old ways. Multiple cultural strands coexist in this region, including Creole and Cajun French dialect; African American folk sayings; swamp pop, zydeco, and blues music; and voodoo, Catholicism, evangelicalism, and faith healing. These aspects of Cajun life weave throughout Robicheaux's world. The commingling of so many traditions provides multiple meanings for even the most common encounters—water can be both natural element and medium between living and dead; and gumbo, jambalaya, and crawfish may represent more than simply regional foods. Additionally, Gaitely demonstrates that beneath the pleasant veneer of southern hospitality, a persistent legacy of violence and vengeance leaves a lasting mark on the lives of Robicheaux and the other characters. Robicheaux's *Roots* reveals how elements of south Louisiana's culture signal a sense of belonging but also recall the area's history of isolation. As a result, readers gain a deeper understanding of Robicheaux himself and an enhanced appreciation for Burke's acclaimed series.

The Tin Roof Blowdown James Lee Burke 2008 In the waning days of summer, 2005, a storm with greater impact than the bomb that struck Hiroshima peels the face off southern Louisiana. This is the gruesome reality Iberia Parish Sheriff's Detective Dave Robicheaux discovers as he is deployed to New Orleans. As James Lee Burke's new novel, "The Tin Roof Blowdown," begins, Hurricane Katrina has left the commercial district and residential neighborhoods awash with looters and predators of every stripe. The power grid of the city has been destroyed, New Orleans reduced to the level of a medieval society. There is no law, no order, no sanctuary for the infirm, the helpless, and the innocent. Bodies float in the streets and lie impaled on the branches of flooded trees. In the midst of an apocalyptic nightmare, Robicheaux must find two serial rapists, a morphine-addicted priest, and a vigilante who may be more dangerous than the criminals looting the city. In a singular style that defies genre, James Lee Burke has created a hauntingly bleak picture of life in New Orleans after Katrina. Filled with complex characters and depictions of people at both their best and worst, "The Tin Roof Blowdown" is not only an action-packed crime thriller, but a poignant story of courage and sacrifice that critics are already calling Burke's best work.

The farmer claims he is innocent and asks Dave Robicheaux, the sheriff's deputy, to help him prove it. Not easy, as it suits a lot of people to have the case closed.
