The Gentle Art of Swedish Death Cleaning Margareta Magnusson 2018-01-02 A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning "death" and *städning* meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

The Year of Less Cait Flanders 2019-01-15 New in paperback: Millennial blogger recounts her yearlong shopping ban in a memoir that inspires readers to radically simplify their own lives and redefine what it means to have, and be, "enough." In her late twenties, Cait Flanders found herself stuck in the consumerism cycle that grips so many of us: earn more, buy more, want more, rinse, repeat. Even after she worked her way out of nearly \$30,000 of consumer debt, her old habits took hold again. When she realized that nothing she was doing or buying was making her happy--only keeping her from meeting her goals--she decided to set herself a challenge: she would not shop for an entire year. Now available for the first time in paperback, *The Year of Less* documents Cait's life for twelve months during which she bought only consumables: groceries, toiletries, gas for her car. Along the way, she challenged herself to consume less of many other things besides shopping. She decluttered her apartment and got rid of 70 percent of her belongings; learned how to fix things rather than throw them away; researched the zero waste movement; and completed a television ban. At every stage, she learned that the less she consumed, the more fulfilled she felt. The challenge became a lifeline when, in the course of the year, Cait found herself in situations that turned her life upside down. In the face of hardship, she realized why she had always turned to shopping, alcohol, and food--and what it had cost her. Unable to reach for any of her usual vices, she changed habits she'd spent years perfecting and discovered what truly mattered to her. Blending Cait's compelling story with inspiring insight and practical guidance, *The Year of Less* will leave you questioning what you're holding on to in your own life--and, quite possibly, lead you to find your own path of less.

With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

At Home in the World Tsh Oxenreider 2017-04-18 As Tsh Oxenreider, author of Notes From a Blue Bike, chronicles her family's adventure around the world--seeing, smelling, and tasting the widely varying cultures along the way--she discovers what it truly means to be at home. In her late thirties and as a mom to three kids under age ten, Tsh Oxenreider and her husband decided to spend a rather ordinary nine months in an extraordinary way: traveling the corners of the earth to see, together, the places they've always wanted to explore. This book chronicles their global journey from China to Thailand to Australia, Sri Lanka, Uganda, France, Croatia, and beyond, as they fill their days with train schedules, world-schooling the kids, and working from anywhere. Told with wit and candor, Oxenreider invites us on a worldwide adventure without the cost of a ticket; to discover people, places, and stories worth knowing about; to find peace in the places we call home; and to learn that, as the Thai say, in the end, we are all "same same but different."
