A Prayer Before Dawn Billy Moore 2014-12-18 A Prayer Before Dawn is the true story of one man's fight to survive inside Klong Prem Prison, the notorious Bangkok Hilton. Billy Moore travelled to Thailand to escape a life of drug addiction and alcoholism. He managed to overcome his inner demons for a time but relapsed after trying ya ba – a highly-addictive form of methamphetamine. Moore's life quickly descended into chaos, drug dealing and violence until he was eventually arrested and imprisoned in Klong Prem, a place where life has no value. A Prayer Before Dawn is no ordinary prison memoir; it's the story of one man's struggle to survive in one of the world's toughest prisons. It's also a story of redemption in the most unlikely of places. Billy Moore was born in Liverpool, England. He has worked as a teacher, Muay Thai fighter and extra on film sets. Following his release from prison in Thailand, he returned to Britain where he now lives with his family. He is now working as a motivational speaker and a drugs counsellor.

Muay Thai: the Footwork Anthony Yuan 2018-02-24 The Reputation of Muay Thai as a ruthlessly effective martial art is second to none. The footwork of Muay Thai is at the foundation of what makes it such an effective and devastating martial art for stand-up striking. Did you know that no matter which weapon you throw - Punch, Kick, Teep, Knee or Elbow Strike - the power generation of your weapons ALWAYS starts from your feet? Muay Thai is a legacy of the Thai people and the power contained within this Thai Martial Art is retained and passed down through the deep wisdom contained within the Muay Thai curriculum itself. This book aims to simplify the Art of Muay Thai by breaking down the art into footwork movements anyone can learn. WHY FOOTWORK IS SO IMPORTANT FOR MUAY THAI The entire Muay Thai system of fighting is based on learning the footwork. Just like there are 26 letters in the English alphabet which are used to create words and sentences, there are 19 footwork movements of Muay Thai which are at the literal foundation of all the basic strikes, blocks, offensive combinations, and counter-attacks of Muay Thai. By reading this book, you will learn how these footwork movements are at the foundation of the Muay Thai fighting system and how to apply the footwork to your own fighting repertoire. +170 photos and diagrams for learning the art of Muay Thai - through the lens of the Footwork. The Art of Muay Thai - Decoded! The most basic and advanced Authentic Muay Thai techniques, all learned from the perspective of the footwork - step sequences that anybody can learn and understand - child or adult! Learn what 'Chawk' footwork is, and how Thai fighter's use this evasive footwork to neutralize their opponents attacks to set-up up their own counter-attack. Learn the difference in how to generate power for your elbow strikes when stepping forward

vs. throwing the elbows in place. Improve your Fighting Intelligence. Learn how to think about the game of Muay Thai - in terms of rhythm, broken down into series of step sequences. Learn the origin and history of Muay Thai and the cultural aspects hidden with the names of the Muay Thai techniques, drawing upon the imagination and culture of the Thai people to preserve the Art. Who This Book is For This book aims to simplify the art of Muay Thai for English speaking students who are looking for more than how to just kick or punch, but really looking to expand their knowledge of the art to a Deeper Level. If you've been training Muay Thai for a while, nothing in this book is new or revolutionary. It discusses all of the basic weapons, footwork movements, blocks, catches, parrys, offensive combinations, and higher level counter-techniques - through the lens of the Footwork. You might be someone who has reached an intermediate level of Muay Thai and searching to improve your sparring game. This book will open your mind to the various steps at the disposal of a Muay Thai fighter, allowing you to think new possibilities you can set-up off your footwork. You might be a Muay Thai instructor looking for an effective method for teaching the art of Muay Thai to your students. Reading this book will help you teach by helping you to crystallize the basic concepts of Muay Thai in clear and concise language that will work for beginners. Or if you are new to Muay Thai, this book will give you that mental edge in training to really improve your fight intelligence from the start, so that you can learn quicker and spend less time figuring out the nuances of this rich and mystifying art.

Muay Thai The Art of Eight Limbs The Science of Nine Stuart Hurst 2019-12-10 This is not just a "how-to" book, about Muay Thai but a "how and why we do" book. It contains the knowledge gained in over forty years of training with World famous Muay Thai Grandmasters. I have taken their teachings and combined it with my own experiences in the Thai arts to help explain why Muay Thai is still recognised as the ultimate stand-up fighting art. I also explain using modern frames of reference and Western science the original ancient teachings of Eastern Muay Thai. Striking methods are broken down in simple, easy-to-understand steps, or in "my Muay Thai principles" as I prefer to call them. Learn the A, B, C's of Muay Thai skills and the circles of attacking weapons, why the 45-degree triangle is so important in Muay Thai, and many more to help you get the most out of your Muay Thai training. These proven techniques and principles have helped countless fighters become champions. Ajahn Stu.

The Fighter's Mind Sam Sheridan 2010-02-02 From the acclaimed author of A Fighter's Heart comes an "entertaining and enlightening" look inside the mental game of mixed martial arts fighting (Dave Doyle, Yahoo! Sports). In his acclaimed national

bestseller, *A Fighter's Heart*, Sam Sheridan took readers with him into the dangerous world of professional fighting. From a muay Thai bout in Bangkok to Iowa, where he fought the toughest mixed martial arts stars, Sheridan threw himself into a quest to understand how and why we fight. In *The Fighter's Mind*, Sheridan explores the mental discipline required of an elite fighter. In his training, Sheridan heard time and again (in Yogi Berra fashion) that "fighting is ninety percent mental, half the time." But what does this mean, exactly? To uncover the secrets of mental strength and success, Sheridan interviewed dozens of the world's most fascinating and dangerous men. He spoke with celebrated trainers Freddie Roach and Greg Jackson; champion fighters Randy Couture, Frank Shamrock, and Marcelo Garcia; ultrarunner David Horton; chess prodigy (and the inspiration for *Searching for Bobby Fischer*) turned tai chi expert Josh Waitzkin; and the legendary wrestler Dan Gable, among others. "Fantastic . . . One of the best MMA books I've ever read, and I've certainly read my fair share." —Eric O'Brien, "Way of the Warrior," ESPN radio "You don't have to care about fighting, or even know that MMA stands for mixed martial arts, to find insights into human behavior in Sam Sheridan's *The Fighter's Mind*." —David M. Shribman, Bloomberg

Muay Thai Grit Matt Lucas 2021-01-25 Punches are thrown. Kicks are whipped. Knees are speared. And elbows fly. These are the eight limbs of Muay Thai. A boxing sport that few foreigners ever truly experience. But Michael Chase Corley went for it. He went to the heart of the sport, Thailand. These are the stories of the wins and losses, of the joys and the pains. The Passion. The Dedication. The Fortitude. This is Muay Thai Grit.

Muay Thai Training Exercises Christoph Delp 2013-12-03 Effective martial arts training, especially for a demanding sport like Muay Thai, requires a prudent training plan. In Muay Thai Training Techniques, professional trainer Christoph Delp shows amateur as well as advanced fighters how to best utilize their training time, whether at home or in the gym, alone or with a partner or coach. A comprehensive guide for Muay Thai fighters as well as those utilizing Muay Thai techniques in Mixed Martial Arts (MMA), Muay Thai Training Techniques teaches effective exercises to improve flexibility, stamina, and strength as well as basic fighting techniques such as feints, counters, and combinations. Muay Thai champions Saiyok Pumphanmuang and Kem Sitsongpeening are featured, demonstrating their own training methods and most effective techniques. Training is broken down into core components that any Muay Thai fighter or instructor can use to help build an individual training plan; several ready-made, detailed training plans are also included for beginners, intermediate, and advanced practitioners. Rounded out with crucial information on nutrition, weight classes, and the importance of regeneration to effective training, Muay Thai Training Techniques will help all Muay Thai fighters to take their practice to the next level.

Muay Thai Basics Christoph Delp 2012-11-06 Muay Thai, also referred to as Thai boxing, combines fitness training, self-defense, and competitive sport. In this hands-on guide, renowned trainer Christoph Delp presents the sport's history, development, rules,

and equipment. In the techniques section, he first details basic skills such as the correct starting position and footwork. Next he offers a complete list of all the attacking techniques and a selection of effective defensive and counterattacking strategies. All techniques are presented step-by-step by Thai champions from the famous Sor Vorapin gym in Bangkok, showing readers the fine details of each technique. The training section provides detailed information about the structure, content, and planning of training regimens and this includes historical training methods, a stretching program, and training schedules. Suitable as both a self-training guide and a supplement to club training, Muay Thai Basics offers authoritative instruction for Thai boxers and other martial arts enthusiasts.

Muay Thai Counter Techniques Christoph Delp 2013-04-02 This thoroughly revised edition of Muay Thai: Advanced Thai Boxing Techniques teaches intermediate Muay Thai fighters how to counter a wide range of opponents' attacks. Author Christoph Delp explains the rules and ceremonial procedures unique to Muay Thai competition, demonstrates historical and modern techniques, provides training tips, and details the benefits of training in Thailand--experiencing the art in its country of origin. The primary focus of Muay Thai Counter Techniques is on counter-tactics, or techniques used to counter an attack from one's opponent. Muay Thai is a martial art with a variety of impressive techniques; every attack technique can be countered with a large number of variants. No two fighters will react to an attack in the same way, because while most Muay Thai fighters learn the same basic techniques (as presented in Delp's earlier book Muay Thai Basics), each fighter will go on to learn a wide variety of secondary

techniques and will adapt them to his or her individual fighting style. This edition includes new full-color photographs throughout in which many well-known Thai boxers--including champions like Saiyok Pumphanmuang, Kem Sitsongpeenong, and many others--demonstrate the most important techniques for competitive success. Suitable for Thai boxers as well as mixed martial arts (MMA) fighters, *Muay Thai Counter Techniques* is a useful addition to the library of anyone seeking to add more techniques into their repertoire and take their training to the next level. From the Trade Paperback edition.

*At the Fights: American Writers on Boxing* Various 2012-08-30 Named a best book of 2011 by the San Francisco Chronicle, *At the Fights* is a gritty and glittering anthology of the very best writing about boxing. Here are Jack London on the immortal Jack Johnson; Richard Wright on Joe Louis's historic victory over Max Schmeling; A. J. Liebling's brilliantly comic portrait of a manager who really identifies with his fighter; Jimmy Cannon on Archie Moore, the greatest fighter of the 1950s; James Baldwin and Gay Talese on Floyd Patterson's epic fight with Sonny Liston; George Plimpton on Muhammad Ali and Malcolm X; Norman Mailer on the Rumble in the Jungle; Mark Kram on the Thrilla in Manila; Pete Hamill on legendary trainer and manager Cus D'Amato; Mark Kriegel on Oscar De La Hoya; and David Remnick and Joyce Carol Oates on Mike Tyson. National Book Award-winning novelist Colum McCann (*Let the Great World Spin*) offers a foreword and, in a new preface, John Schullian pays tribute to his co-editor, George Kimball, who lost his battle with cancer in 2011.

*Andy Steves' Europe* Andy Steves 2016-05-17 *Pick a Weekend, Pick a City, and Go!* This award-winning travel guide picks up where crowdsourcing leaves off, covering the skills you need for spur-of-the-moment trips to Europe's top destinations. Chill at Amsterdam's coffee shops, study mixology at London's speakeasies, and bust moves at Barcelona's beach clubs. Enjoy the best and cheapest local cuisine. Graze at boulangeries in Paris, pubs in Dublin, and aperitivo bars in Rome. Become a temporary local. Engage with the culture to enjoy authentic, unforgettable experiences. Master digital travel. Make the most of your money in Europe with apps and other digital resources. Connect with other travelers. Head to the most popular hostels for a ready-made, real-life social network. Whether you're studying abroad or just looking to explore Europe without breaking the bank, *Andy Steves' Europe* will have you city-hopping like a pro.

*Muay Thai* Michael Goodison 2016-04-08 Michael Goodison is a writer and a fighter, and in *Muay Thai: Peace, At Last*, he documents his travelling adventure to Thailand. Battling an ever-present disinterest with the western way of living, Michael throws off the shackles and dares to live, confronting killer cobras and conversing with Buddhist monks as he prepares for a professional fight in one of the most violent martial arts in the world: Muay Thai. From elephants lumbering along the lush mountainsides to the rowdy backpacking scene of northern Thailand, and culminating in an adrenaline-thumping confrontation,

Peace, At Last is escapism in its purest form, transporting the reader to a world of misadventure, intrigue, culture, and violence.

My Holiday in North Korea Wendy E. Simmons 2016-05-03 Most people want out of North Korea. Wendy Simmons wanted in. In My Holiday in North Korea: The Funniest/Worst Place on Earth, Wendy shares a glimpse of North Korea as its never been seen before. Even though its the scariest place on Earth, somehow Wendy forgot to check her sense of humor at the border. But Wendys initial amusement and bewilderment soon turned to frustration and growing paranoia. Before long, she learned the essential conundrum of tourism in North Korea: Travel is truly a love affair. But, just like love, its a two-way street. And North Korea deprives you of all this. They want you to fall in love with the singular vision of the country theyre willing to show you and nothing more. Through poignant, laugh-out-loud essays and 92 never-before-published color photographs of North Korea, Wendy chronicles one of the strangest vacations ever. Along the way, she bares all while undergoing an inner journey as convoluted as the country itself.
