Not my sister..." Detective Josie Quinn hasn't heard from her sister since Trinity stormed out of the house in the heat of an argument three weeks ago. So, when human remains are found at the remote hunting cabin where Trinity was last seen, Josie can only assume the worst. Gathering her team, Josie feels a surge of relief when the dental records match a different body – that of a missing single mother from a neighboring town. But now Josie's is not the only broken family desperate for answers. Dusting the crime scene for prints, a name smudged into the side of a nearby car is the first in a trail of clues Trinity left for Josie. In need of a big story to save her journalism career, it seems Josie's sister was attempting to make contact with a dangerous serial killer known for creating sculptures with his victim's bones. And Trinity won't stop until she's found him, even if it means becoming his next masterpiece... Josie is certain there's a critical clue in the ivory hair comb delivered to Trinity just days before she went missing. Sean's Book Reviews Elevator Pitch Linwood Barclay 2019-09-17 ****INSTANT NATIONAL BESTSELLER**** The #1 bestselling Linwood Barclay returns with an edge-of-your-seat thriller that does for elevators what Psycho did for showers and Jaws did for the beach—a heart-pounding tale of terror and menace that will make you think twice the next time you hit Up. It all begins on a Monday, when four people board an elevator in a Manhattan office tower. Each presses a button for their floor, but the elevator proceeds, nonstop, to the top. Once there it pauses for a few seconds, but the doors don't open. Instead, the elevator begins to descend floor-by-floor. Then it plummets. Right to the bottom of the shaft. It appears to be a random accident. . . . But on Tuesday, it happens again, in a different Manhattan skyscraper. And then Wednesday brings yet another tragic high-rise catastrophe. In only three days, one of the most vertical cities in the world—and the nation's capital of media, finance and entertainment—is plunged into chaos. Clearly, this is anything but random. This is a cold, calculated bid to terrorize the city. And it's succeeding. Fearing for their lives, thousands of men and women working in offices across the city refuse to leave their homes. Commerce has slowed to a trickle. Emergency calls to the top floors of apartment towers go unanswered. Who is behind this? Why are they doing it? Are these deadly acts of sabotage somehow connected to a mysterious body found on the High Line? Two seasoned New York detectives and a straight-shooting journalist race against time to uncover the truth before the city's newest, and tallest, residential tower has its ribbon-cutting on Friday night. With each diabolical twist, Linwood Barclay ratchets up the tension, building to a shattering finale. Elevator Pitch is a riveting tale of psychological suspense that is all too plausible . . . and will chill you to the bone.

Stolen Ones Angela Marsons 2021-11-11 Kim felt sickness sweep over her as she watched little Grace dust off her dirty hands. Blonde curls tumbled around her face. Then, Grace disappeared into the crowd. Kim wanted to pause the recording, run outside and grab her to stop what was about to happen. One August afternoon, eight-year-old Grace Lennard skips into the garden of the childcare centre she attends and vanishes into thin air. Rushing to the scene of Grace's disappearance, Detective Kim Stone finds a chilling piece of evidence: the engraved heart bracelet belonging to Melody Jones – the little girl who was taken from a playground exactly twenty-five years ago. With only twenty-four hours to make every second of Steven's interrogation count, and scan his behaviour for hidden clues, Kim and her team soon link Steven to the abduction of several vulnerable girls – two were kept for a year and then released, unharmed – but where are Melody and the others? Then small bones are discovered in the grounds of a local park, and Kim fears the worst. Kim may think she's close to convicting a killer, but the case has got even more complex.
